### ***Response to Amendment***

This application is in condition for allowance except for the following formal matters:

Applicant is kindly requested to provide a mapping of features claimed with features shown in Exhibit A submitted 30 January 2004, for example where the step of "counting a number of days between a current date and the date when the product will be ready for shipment to create a number of days before the product is available and displaying a listing of each product and when the product is available" as claimed in claim 1 is shown in the exhibit. The examiner suggests that applicant submits a copy of the specification drafted before 12 December 2000 since the application was filed ten days later, on 22 December 2000.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.
